Hello! I'm a New York based designer with 15+ years of experience in industrial and digital design, flawlessly executing projects from concept to completion

Work Experience

Freelance Designer | Various Clients 2016 - Present

Product Design, E-commerce Design New York

- Created detailed target user personas, user flows, wireframes, prototypes; iterated on UI/UX design for a legal web app; worked closely with a developer for implementation
- Designed product pages for an e-commerce website that provides US merchandise to Japanese customers; implemented HTML/CSS and updated product pages regularly

Interior Design New Jersey / Tokyo (Remote)

- Interviewed individual clients in NJ to identify their needs and problems, created mood boards, translated needs into a design and iterated designs to meet clients' goals (bathrooms and kitchens)
- Created detailed interior plans including mood boards, materials and color schemes aligned with the brand's design system for a luxury car garage apartment in Tokyo

Graphic Design Tokyo (Remote)

- Designed brand catalogs, brochures, print ads and business cards for various clients

Senior Designer / Art Director | infist Design co.,Ltd 2007 - 2015 Tokyo, Japan

Industrial Design, Interior Design

- Responsible for managing and designing a variety of projects and brands from conceptual ideas to finished products such as furniture, products for musicians, luxury car garage apartments, etc.
- Directed and designed interior and exterior plans including mood boards, detailed design sheets; created color schemes for various clients (stores, homes, apartments, etc.); worked with architects and contractors to execute accurate deliverables
- Collaborated with clients' project teams to gain insights into their needs to improve quality of work

Brand Design, Graphic Design

- Led and created catalogs for various clients to help drive revenue
- Directed photo shoots with visual sheets and time tables to allow the team to work more efficiently
- Managed the process to build brand identities for various clients to convey their philosophy

Furniture and Graphic Designer | MK Maeda Furniture co.,Ltd 2002 - 2007 Shizuoka, Japan

- Designed furniture for the in-house brand as well as external clients; worked closely with stakeholders
- Curated build materials; checked samples; communicated with manufacturers (including off-shore)
- Decorated showrooms for all seasonal exhibitions to enhance the value of the in-house brand
- Created presentation materials for salespeople to communicate more effectively to clients
- Designed easy to understand customer facing leaflets for the in-house brand's furniture
- Oversaw photo shoots for the in-house brand's catalogs
